

Touched by cancer?

We're stronger together.

Visit cancerresources.anthem.com

Looking for information to help? The **Stronger Together** website is a great starting place for people facing cancer. You can find all the site links, tools, apps and more to help you — from diagnosis to survivorship and everything in between.

Find digital tools to:

- Make shared treatment decisions.
- Prepare for care.
- Self-manage symptoms and concerns.
- Work on a care plan.
- Learn where to go for case management help.
- Get support resources for caregivers.

It's here — a free website with resources you need:
