

PreventiveRxSM Drug List: PreventiveRx Plus Plan (Select Connecticut)

PreventiveRx covers drugs that may keep you healthy because they may prevent illness and other health conditions. You can get the products on this list at low or no cost to you depending on your benefit.

This list includes only prescription products. Brand-name drugs are listed with a first capital letter. Non-brand drugs (generics) are in lowercase letters.

Most brand-name drugs that have a generic equivalent available are not covered under this Preventive Rx benefit.

All drugs* listed below are covered for plans with the Connecticut Select Drug List. If your plan has a different drug list, please check to see if these drugs are included on your drug list. PreventiveRx Plus drugs are only covered if they are included on your specific drug list.
