

Lista de medicamentos de mantenimiento

Según qué plan de salud nuestro tengas, es posible que debas obtener los medicamentos de mantenimiento por medio de una entrega a domicilio o en una farmacia Smart 90®.1 Los medicamentos de mantenimiento se utilizan para tratar afecciones a largo plazo, como el asma, la acidez estomacal, la hipertensión arterial, las alergias y el colesterol alto.

Conoce qué cubre tu plan en <anthem.com>.

Cuando visites nuestro sitio, haz clic en **Manage your prescriptions** (Administrar tus medicamentos recetados) en el inicio y luego inicia sesión con tu nombre de usuario y contraseña. Después de iniciar sesión, serás redirigido a la página de inicio de farmacia, donde puedes hacer lo siguiente:

- Elegir **Price a Medication** (Saber el precio de un medicamento), donde puedes averiguar si un medicamento está cubierto por tu plan y cuánto cuesta en una farmacia minorista o mediante entrega a domicilio.
- Elegir **Locate a Pharmacy** (Encontrar una farmacia), lo cual te redirigirá a la herramienta para buscar una farmacia Smart 90 cerca de ti.

¿Quieres comenzar con la entrega a domicilio?

Para registrarte, completa el formulario de solicitud de entrega a domicilio. Asegúrate de que tu médico incluya una receta de suministros de tu medicamento para 90 días y la información sobre el copago que te corresponde, y que las envíe a la dirección que figura en el formulario. También puedes cambiar en línea a la opción de entrega a domicilio para aquellos medicamentos recetados que ahora obtienes en la farmacia. En la página de inicio de farmacia, simplemente elige **Switch to Home Delivery** (Cambiar por entrega a domicilio) para ver tus medicamentos recetados y comenzar.

Si quieres usar nuestra farmacia de entrega a domicilio y estás afiliado a un programa que te ayuda con tu copago, o si usas cupones del fabricante para pagar tus medicamentos recetados, tendrás que proporcionarle al programa o al fabricante información detallada de la reclamación y un recibo para que se te devuelva el dinero. La compañía que administra nuestros beneficios de medicamentos recetados no puede cobrarnos a nosotros ni a los terceros mencionados anteriormente por los medicamentos recetados que recibes en tu domicilio.
