Connecticut  
September 2020**

## **Pharmacy services near you**

**Find the most convenient place for you to  
get the medicine you need.**

The pharmacies listed in this directory participate in the Rx Choice Tiered network available within Anthem Blue Cross and Blue Shield (Connecticut). If you are covered by Anthem Blue Cross and Blue Shield (Connecticut), the participating pharmacies in the following listing are considered in network for that health plan. If you have questions about this network, call the Customer Service number on the back of your health plan ID card.

# Welcome

Your Anthem Blue Cross and Blue Shield (Connecticut) health plan gives you thousands of pharmacies across the country to choose from when you need medication. You have access to many local, independent pharmacies, as well as national chains. This directory shows you where you can easily get medication, whether you're at work, at home — or even on vacation. Using these pharmacies in your plan can help you get the most out of your benefits. Just show your member ID card when you pick up your prescriptions.

Certain pharmacies offer flu shots as part of your benefits. Please call the pharmacy to be sure it's in your plan before you get your flu shot.

## How we Choose Pharmacies for our Plans

Our pharmacy networks give members choices and flexibility when they fill a prescription.

To help make sure members have easy access to pharmacies in their plan, our networks are made up of local and national pharmacies, including:

- National chains
- Grocery stores
- Independent pharmacies

The Rx Choice Tiered Network is a pharmacy network that offers high-quality health care services to members, while keeping copay amounts down. Members can save money on out-of-pocket costs by filling prescriptions at a level 1 pharmacy. Members may fill prescriptions at a level 2 pharmacy, but will pay more out of pocket.

Level 1 pharmacies were chosen to offer lots of network choices, competitive pharmacy pricing and convenience.

This directory is correct as of the date shown. You can also find a list of pharmacies in your plan at **anthem.com**. For the latest updates, call the Member Services number on your member ID card.

**Si necesita ayuda en español para entender este documento, puede solicitarla sin costo adicional, llamando al número de Servicio al Cliente que aparece al dorso de su tarjeta de identificación o en el folleto de inscripción.**

If you are a member, you are entitled to language interpreter services at no cost. Members can get language assistance by calling **1-888-254-2721**.

All members, including members with disabilities, are entitled to full and equal access to covered services. Anthem makes available to its members information relating to their health plan in alternative formats, including electronic, braille, large print and audio (CD or mp3). Members may request an alternative format of a member document by calling the Member Services number on the back of their member ID card, or by logging in and emailing us using the email feature on the Customer Support page of **anthem.com**.
