Pharmacy services near you

**Find the most convenient place for you to
get the medicine you need.**

The pharmacies listed in this directory participate in the Standard network available within Anthem Blue Cross and Blue Shield. If you are covered by Anthem Blue Cross and Blue Shield, the participating pharmacies in the following listing are considered in network for that health plan. If you have questions about this network, call the Customer Service number on the back of your health plan ID card.

Welcome

Your Anthem Blue Cross and Blue Shield health plan gives you thousands of pharmacies across the country to choose from when you need medication. You have access to many local, independent pharmacies, as well as national chains. This directory shows you where you can easily get medication, whether you're at work, at home — or even on vacation. Using these pharmacies in your plan can help you get the most out of your benefits. Just show your member ID card when you pick up your prescriptions.

Certain pharmacies offer flu shots as part of your benefits. Please call the pharmacy to be sure it's in your plan before you get your flu shot.

How we Choose Pharmacies for our Plans

Our pharmacy networks give members choices and flexibility when they fill a prescription.

To help make sure members have easy access to pharmacies in their plan, our networks are made up of local and national pharmacies, including:

- National chains
- Grocery stores
- Independent pharmacies

This directory is correct as of the date shown. You can also find a list of pharmacies in your plan at **anthem.com**. For the latest updates, call the Member Services number on your member ID card.
